SAIiKIDS SUMMER CAMP

1 JULY-15 SEPTEMBER 2026

This summer, let your kids enjoy our
SAiiKIDS Summer Camp Series—an
inspired blend of playful workshops
and unforgettable family escapes.

All kids' activities in this program
are offered complimentary for
families staying at
SAii Lagoon Maldives.

EXPERIENCE A SUMMER OF DISCOVERY WITH A WORKSHOP PROGRAM BUILT ON THREE INSPIRING PILLARS.

SPORTS PROGRAM

ART CLASSES

CRAFT ACTIVITIES

BENEFITS

Fun & Play in the Great Outdoors – endless opportunities for laughter, adventure, and active exploration.

Building Friendships & Teamwork – kids connect, socialize, and collaborate with peers of their own age.

Screen-Free Adventures – engaging activities designed to spark creativity beyond the digital world.

Nature Connection – encouraging young explorers to discover and appreciate the beauty of our environment.

Certificate of Completion – a proud keepsake celebrating each child's journey through the program.

A CHOICE OF ACTIVITIES 1 ACTIVITY PER PILLAR

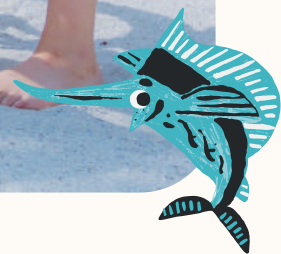

SPORTS	Padel Tennis Clinic	Bike Riding Lesson	Swimming	Snorkeling Lesson	Nursery Garden Snorkeling Tour
ARTS	Cooking Class	Mocktail Making	English Class	Colored Sand Art	Hair Style Lesson
CRAFTS	Painting Class	Coconut Shell Craft	Junior Scientist	MDC Coral Propagation	Bracelet Making

HOW DOES IT WORK?

Kids are invited to craft their own adventure by selecting one activity from each of our three inspiring pillars, with every activity offering a dedicated curriculum designed for either a 3-day or 7-day stay. Participation in the program is available with a minimum stay of three nights at SAii Lagoon Maldives, and all activities are offered on a complimentary basis to our young guests. The week concludes in true SAii style with a certificate presentation and a joyful award ceremony, celebrating each child's accomplishments and creating lasting holiday memories.

SPORTS

PADEL TENNIS CLINIC

The goal of this program is to inspire children to embrace movement, enjoy being active, and discover the confidence that comes from mastering new skills. Through a variety of fun sport games set against the stunning backdrop of the beach, kids will learn to see themselves as strong, capable, and adventurous. All participants who sign up will enjoy a daily one-hour session of exciting sport activities, offered entirely complimentary for families staying at SAii Lagoon Maldives. At the end of the week, achievements are celebrated with a certificate presentation and a joyful award ceremony, creating lasting memories of play, growth, and accomplishment.

For kids aged 8–17
Designed for 3-day or 7-day stays

BIKE RIDING COURSE

This activity offers a fun and active way to build confidence and essential skills.

Kids will learn how to balance, ride safely, and understand the importance of bike safety. Each lesson introduces the proper use of equipment—including bicycles, helmets, knee pads, and shoes—ensuring a safe and enjoyable experience. All participants enjoy a complimentary daily one-hour class, with the program culminating in a certificate presentation and award ceremony to celebrate their achievements.

For kids aged 7–17
Designed for 3-day or 7-day stays

SWIMMING LESSONS

The objective of this program is to build children's confidence in the water by increasing their knowledge of water safety and practices, while developing swimming readiness skills through playful learning.

Using games and fun activities, kids will enjoy screen-free time in the pool, strengthen their abilities, and connect with fellow participants. Each lesson introduces essential equipment—including goggles, kickboards, pool noodles, and arm bands—to ensure safety and enjoyment. All children, who enrol, will receive a complimentary daily one-hour swimming class, with achievements celebrated at the end of the program through a certificate presentation and award ceremony.

For kids aged 5–17
Designed for 3-day or 7-day stays

SNORKELING LESSONS

This fun and engaging water activity teaches children how to use snorkelling equipment properly while learning basic techniques to explore safely and confidently in the ocean. Each session introduces essential gear—including masks, snorkels, fins, and life vests—to ensure comfort and safety in the water. All participants enjoy a complimentary daily one-hour snorkelling lesson, designed to spark curiosity, build skills, and create unforgettable holiday memories. At the end of the program, achievements are celebrated with a certificate presentation and joyful award ceremony.

For kids aged 5–17
Designed for 3-day or 7-day stays

GARDEN NURSERY SNORKELLING TOUR

This is a fun and active water experience designed to boost fitness while building confidence in the ocean. Children will enjoy benefits such as burning calories, strengthening the cardiovascular system, improving breathing ability, increasing joint mobility, and enhancing lung capacity—all while having fun. Each session introduces essential snorkelling equipment, including masks, snorkels, fins, and life vests, ensuring safety and comfort in the water. All participants are entitled to a complimentary daily one-hour snorkelling class, with achievements celebrated at the end of the program through a certificate presentation and joyful award ceremony.

For kids aged 6–17
Designed for 3-day or 7-day stays

ARTS

COOKING CLASSES

Organized by our talented pastry chef and Kids Club heroes, these classes offer a delightful hands-on experience that blends learning with play. Young participants will enjoy creative activities such as cupcake decoration and cookie making—turning sweet treats into unforgettable holiday memories.

For kids aged 4–15
Designed for 3-day or 7-day stays

MOCKTAIL MAKING

Organized by our Kids Club heroes, this fun and refreshing class invites children to create their very own mocktails. Using a mix of fruit juices, syrups, and soft drinks, enhanced with lemon and mint leaves, kids will learn how to prepare delicious non-alcoholic drinks while enjoying a playful, hands-on experience.

For kids aged 4–5
Designed for 3-day or 7-day stays

ENGLISH CLASSES

Led by our Kids Club heroes, this class is designed to help children build confidence in English communication while having fun with their peers. The objective is to introduce the basics, encourage kids to express themselves more comfortably, and create opportunities to make friends everywhere. Through playful learning and interactive activities, participants strengthen their language skills in a supportive and engaging environment. Meet our teacher, Anya, who brings warmth and creativity to every session.

For kids aged 4–15
Designed for 3-day or 7-day stays

COLOURED SAND ART

After this lesson, children will learn the fundamental colours and explore their creativity. They will use their imagination to mix colours and discover the different variations created when colours combine.

For kids aged 7–17
Designed for 3-day or 7-day stays

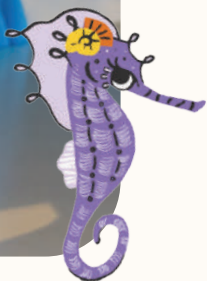

HAIRSTYLE LESSON

Organized by our talented and multi-skilled SAiiKIDS team, this class introduces children to the basics of hairstyling while enhancing beauty and boosting confidence. Participants will learn simple techniques to help prevent split ends, improve natural hair texture, and discover how caring for their hair can make them feel absolutely wonderful.

For kids aged 6–17
Designed for 3-day or 7-day stays

CRAFTS

PAINTING CLASSES

Organized by our talented and multi-skilled Kids Club heroes, this creative adventure invites children to unleash their inner Picasso. With a line-up of fun activities—including coconut painting, wood painting, shell painting, face painting, and henna tattoos—kids will explore different art forms, express their imagination, and create unforgettable holiday masterpieces.

For kids aged 4-15
Designed for 3-day or 7-day stays

COCONUT SHELL CRAFTS

Organized by our talented and multi-skilled Kids Club heroes, this creative class shows children just how useful and versatile coconut shells can be. Through hands-on painting activities, kids will explore their imagination, transform natural materials into art, and enjoy a fun, eco-friendly experience that sparks creativity and joy.

For kids aged 4-15
Designed for 3-day or 7-day stays

JUNIOR SCIENTIST

Led by our talented and multi-skilled Kids Club heroes, this activity invites children to explore their creativity, enjoy playful moments, and discover delightful surprises along the way.

For kids aged 4-15
Designed for 3-day or 7-day stays

MARINE LIFE DISCOVERY

Guided by our passionate Marine Biologist team, this program immerses children in the wonders of the ocean through both theory and hands-on experiences. From fish identification and coral planting to engaging classes on Emma the Turtle and dolphins, every activity sparks curiosity and deepens understanding of marine life. Highlights include fish identification at Musikee Bridge, semi-submarine explorations, and the unforgettable Dolphin Quest—each designed to inspire young ocean explorers and create lasting memories.

For kids aged 4-15
Designed for 3-day or 7-day stays

BRACELET MAKING

Led by our talented and multi-skilled SAiiKIDS team, this creative class introduces children to the basics of bracelet making in different styles and designs. Along the way, they develop individual skills, build confidence, and discover the courage to continue creating more beautiful bracelets—turning each piece into a unique expression of their imagination.

For kids aged 4-15
Designed for 3-day or 7-day stays

A photograph of two young children playing in a brightly lit playroom. The boy on the left is kneeling on a yellow mat, smiling as he plays with a colorful toy structure. The girl on the right is sitting on the mat, focused on a red tray containing a colorful pattern. In the background, there is a large blue beanbag chair, a wooden play kitchen with orange cabinets, and various other toys. The text "ADDITIONAL SERVICES" is overlaid in the center of the image.

*Prices are Inclusive of 10% service charge and 17% GST.

FAQS

CAN I CHOOSE ONLY ONE ACTIVITY OR PROGRAM?

Absolutely. The Junior Beach Club & Camp offers flexible drop-in options, allowing children to join just one or up to three different domains.

ARE THESE ACTIVITIES AT AN ADDITIONAL COST?

Most activities are complimentary. However, special celebrations such as birthday parties and certain excursions are chargeable.

DO YOU HAVE PROGRAMS FOR 14 DAYS?

Certainly. Activities not selected during the first week can be enjoyed in the second week, ensuring a full and varied experience across the two weeks.

WHAT CAN I EXPECT MY CHILD TO EXPERIENCE?

The greatest takeaway from our Kids Club is the unforgettable memories created with our SAiilanders. The program allows each SAiiStar to express their creativity, build confidence, and most importantly, feel comfortable being themselves in a social setting.

CAN I LEAVE MY CHILD AT THE JUNIOR BEACH CLUB & CAMP FOR THE WHOLE DAY?

Certainly. Our program is designed to keep children engaged throughout the day, giving parents the freedom to fully enjoy island time. The only exception is during lunch, when children must be accompanied by their parents.
